## **President's Message from Margaret Natof**

Thank you to the members who helped me organize the Quilting for Others materials. Starting March 1, Q4O will once again have kits available at meetings.

Elsewhere in this newsletter, quilt sizes are outlined. Q4O currently focuses on "comfort quilts" in sizes for hospitalized children. Your quilt does not have to meet a specific size requirement - just somewhere close. If you want to make larger or smaller quilts for donation, Q4O is happy to receive them. We will find homes for them in shelters, hospitals, or with Habitat.

Q4O is happy to accept donations of fabric, tops, batting, and other materials for use in making quilts to donate. In order to streamline our process, we cannot accept scraps, sheets, non-cotton fabric, etc. Children's prints, bright colors, panels, and the like, are appreciated. Dark fabric may be appropriate for backings, but please, consider if a child or teen would appreciate it.

The next Quilting for Others meeting will be at my house on February 28. Please call if you would like to help out, space if limited.

The Q4O committee will consider your ideas for quilts - sizes, patterns, places to donate. Please let me know your thoughts.

**Our next board meeting is Thursday March 9 at 10 am at Susan Sellers.**

## Nominating Committee – Liz Adams, Bunny Tjaden, Nancy Sharp

Your nominating committee has been hard at work creating a slate for the 2017-2018 year. They have candidates for president and vice president but are still looking for secretary and treasurer. If you are interested in serving in either of these two offices please contact Liz Adams. The slate will be announced at the March meeting with elections held at the April meeting.

## Quilting 4 Others – Margaret Natof

Quilting for Others (Q4O) makes mostly "comfort quilts" for donation in Montgomery County.

Comfort Quilt Sizes are provided as a guideline, not as a set-in-stone requirement. Q4O will accept quilts of any size because the need is great in all areas. We will find a home for any size quilt.

### Comfort Quilts

Baby	36" x 36"
Child	40" x 60"
Lap	45" x 45"

### Other Quilt Sizes (FYI)

Bed	Mattress Size	"Standard" Quilt Size
Crib	28" x 52"	36" x 60"
Youth	33" x 66"	54" x 78"
Twin	39" x 76"	70" x 90"
XLong Twin	39" x 80"	70" x 95"
Double	54" x 75"	84" x 90"
Queen	60" x 80"	90" x 95"
King	78" x 80"	108" x 95"
Cal. King	72" x 84"	102" x 100"

When making a bed quilt, measure the mattress and add for the "fall" at the bottom and both sides. Also, if a pillow tuck is needed, add about 10".

In addition, special sizes are listed below:

Preemie	18" square to 24" square
Wheelchair Lap Quilt	36" square to 38" x 47"

This information was gathered from a number of sources including the American Quilters Society, Warm Up America, and Project Linus. Please send any comments and/or corrections to Margaret Natof.

### **Mini Groups – Ruth Cohen**

If you are not in a small quilt group, now is the time to join one, or start a new one. Many of the small groups already have enough members. But it is easy to start your own group. Just send Ruth your name and contact information and when you would like to meet. She will keep a list of interested quilters and see if she can create a group. It is not necessary for everyone in the group to be at the same skill level or enjoy the same kind of quilting. Diversity makes for livelier meetings. Send information or questions to: Ruth Cohen by phone or email.

## Thoughts from Nancy Sharp – Finding my North Star

Every year as the calendar turns, my thoughts turn to "where am I going this year?" Maybe your thoughts do, also.

This year, in 2017, as I celebrate my 10th year of quilting, I want to focus more on an "arty" style of quilting. Being part of the "Art Quilt Study Group" has certainly given me the opportunity to explore multiple pathways. And joining the "Improv Club" at Capital Quilts has given me further cues.

I want to sit quietly and ask myself, "Where am I going with this project?" I want to find my North Star, and be strong and assertive on the project's direction. I want to make a connection with the younger, fresher part of me. I'm grown up now, and can make more artistic decisions than I could previously. No need for permission from anyone else. No need to follow stern directions or instructions -- it's just me that I have to listen to.

Following your own North Star will give you the freedom and autonomy for your future quilting projects. Happily !! Go forth and make quilts in your audacious and energetic style. Tune in for a very productive 2017.
